MONTHLY STANNIT NOVEMBER 2013

ISSUE 28

MONTHLY ROUND-UP

The [1XI](#)'s bad run of form has continued into November as they were dumped out of the LOB and OB Cups by opposition we don't usually play, Wandsworth Borough and Old Salesians. The second of these two defeats was made worse as some players refused to go up when asked to! Our [2XI](#) are sitting at the top of Two North having won four and drawn three, defensively they're doing very well but could be a bit more clinical in front of goal! The [3XI](#) are also going well in the League and are currently fourth in Five North but if they win their games in hand will leap-frog the three teams above them into the top spot! Our [4XI](#) continue to motor in Seven North with a 100% record having scored the most goals and conceded the least, skipper Achilles reckons they'll have the league wrapped up by Xmas (no pun intended!). The [5XI](#) have had a few difficult Cup games and are just below mid-table in Eight North with games in hand – they've got a more settled side now and are finding goals easier to come by. The new 6XI continue to impress having won three out of five friendlies and are scoring goals for fun in their buccaneering style! The Vets were knocked out of the LOB Cup by local rivals, Albanian and face them again in the OB Cup. They're also in the AFA Cup Quarter Final which they must have a chance of winning?! Finally, the Supervets (that's the really old blokes!) are playing their first game in a couple of years this weekend (8 December) at Finchleians, 11am KO – come down and marvel at how they're still playing!

CLUB MARKS

The League have issued the first set of Club Marks up to and including matches played on 31 October. Here they are – whilst they are not terrible it's disappointing that our position has gone down in two of the four categories; there is room for improvement. We should particularly look to improve our organisation marks particularly when playing at Oak Hill Park help your Captain tell the Referee and opposition where the pitch is etc. [Click here for individual team marks.](#)
